UPCOMING EVENTS

OLIVER LAKE & JUMP UP will present their eclectic mix of jazz, reggae and funk to the Viking Union Lounge on January 21.

On February 5, X will display their brand of original rock and roll to the Viking Union Lounge.

By the looks of the new typeprint, you are probably thinking that KUGS has acquired a computer, but no that is not the case. The truth is that I got this new typewriter from my grandma and I am testing it to see if it would be good to print the playlist. Here's to technology.

Happy Winter,
